

Danish Institute of Certified Management
Consultants - DICMC

hereby certify that

Annette Vilen

has satisfied DICMC's regulations concerning professional qualifications and all other requirements, has agreed to practise the profession of management consulting in complete accordance with the code of professional conduct and the by-laws of the Association and is hereby authorised to use the designation

**Certified Management Consultant
(CMC)**

This certificate is only valid if the consultant has passed the re-certification for this year. At Danish Institute of Certified Management Consultants web site www.dicmc.dk you will find an updated list with all the names of management consultants who are still authorised to use the CMC-designation after the latest audit processed by Danish Institute of Certified Management Consultants.

Certification awarded:
Odense, May 29th 2013
